

# Lyngford Park Primary School

## Primary PE Sports Grant 2023-24

### **What is the PE and sport funding?**

The government is continuing to provide additional funding in order to develop provision of physical education and sport in primary schools.

The aim at Lyngford Park is to educate minds, develop healthy bodies, and promote positive attitudes towards lifetime physical activity, fitness, and sports skills. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school.

In order to find out more you can visit:

<https://www.gov.uk/government/policies/getting-more-people-playing-sport/supporting-pages/school-pe-and-sport-funding>

### **How will we invest this at Lyngford Park Primary School?**

At our school we have developed a provision plan to ensure this funding is invested (rather than 'spent') to maximise the long term impact of our PE provision for pupils and staff.

The funding is invested in various ways and the impact of these initiatives is closely monitored through assessment of children's skills, staff and pupil feedback, uptake of clubs etc.

### **Continued professional development**

As a school we will continue the professional development (CPD) of teachers as a key priority to make sure that the future quality of the teaching of PE, sport and physical activity is sustainable. This includes providing staff with:

- professional development
- mentoring
- appropriate training
- access to external resources

We recommend that schools use established quality assured local, regional and national subject-specific and suitably qualified CPD providers.

Schools should monitor and assess the effectiveness of the CPD being provided to make sure that it is up to standard.

### **Other effective ways to spend the premium**

Schools can also:

- embed physical activity into the school day by encouraging active travel to and from school and having active break times
- provide targeted activities or support to involve and encourage the least active children

Spending

- help to provide equal access for all pupils to the range of sports and physical activities that the school offers

Schools can also use the PE and sport premium to raise attainment in primary school swimming and water safety by funding top-up swimming sessions for those pupils that do not meet national curriculum requirements after they've completed core swimming lessons.

## **Sustainability**

Achieving sustainable outcomes is key to any spending of the PE and sport premium.

Before making any decision on what the funding should be used for, schools (in particular, governors and trustees) should consider how the spending will benefit future pupils and what the lasting legacy of this spending will be.

Schools should focus their efforts on upskilling the whole staff workforce so that they feel confident and able to lead a PE lesson independently.

## **Use of external coaches**

Schools may wish to engage the expertise of external coaches to offer their pupils a wider variety of sports. Governing bodies, trustees or proprietors should seek assurance that providers have appropriate safeguarding and child protection policies and procedures in place, including inspecting these as needed.

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics.
2. The increase and success in competitive school sports.
3. How much more inclusive the physical education curriculum has become.
4. The growth in the range of traditional and alternative sporting activities.
5. The improvement in partnership work on physical education with other schools, other local partners and the community.
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills.
7. The greater awareness amongst pupils about their well-being and knowing the dangers of obesity, smoking and other such activities that undermine pupils' health.

Spending

Primary PE Sport Grant awarded			
Total number pupils on roll			260
Lump Sum			£16,000
Amount received per pupil (£10)			£2,600
Total amount received			<b>£18,600</b>
Total spend planned			<b>£18,679</b>
Amount left unallocated			£0
Summary 2022- 2023			
<p><b>Objectives of spending:</b></p> <ul style="list-style-type: none"> <li>To continue to improve the provision of PE and sport at Lyngford Park Primary through staff development.</li> <li>To broaden the sporting opportunities and experiences available to pupils.</li> <li>To increase fitness and make sport and physical activity a way of life.</li> <li>To increase opportunities for pupils to be involved in competitive sport.</li> <li>To provide equipment to widen children’s experiences of different sporting activities.</li> </ul>			
Record of spending by item/project 2023-24			
Item/Project	Cost	Objectives	Intended Impact
Specialist teacher to teach lessons and work with staff to provide professional development.	2x hour per week <b>£2,250</b>  <b>X20 weeks</b> <b>£7,120</b>	To ensure the effective delivery of PE and sport across the school.  To upskill teachers to teach all strands of the PE curriculum.  Deliver health education lessons	Improved spiral delivery where teachers are aware of previous learning, build on this and prepare children for what comes next.  Teachers are proficient in delivering and children are progressing in all strands of the PE curriculum.  Improvement in attitude to learning and attendance to increase to 95% across the school.
Inspired Schools  After school sports providers (including health mentors)	<b>£1,900</b> e.g. dance, squash, tennis, multi-sports, football, invasion sports, athletics gymnastics rhythmic gymnastics	To continue to introduce a wide variety of sports and encourage more children to take up the provision on offer.  To encourage more children to take part in physical activity after school.  To ensure children who are not able to access sports clubs out of school are able to access provision in school.	Encourage the least active children to take up and enjoy sport which can become a part of their lifestyle.  More pupils (particularly Pupil Premium) who do not have access to sporting activities out of school access the provision provided.  A wide variety of provision will at some point in the year meet the interest of the vast majority of children.

Spending
