Lyngford Park Primary School

Primary PE Sports Grant 2026-27

What is the PE and sport funding?

The government is continuing to provide additional funding in order to develop provision of physical education and sport in primary schools.

The aim at Lyngford Park is to educate minds, develop healthy bodies, and promote positive attitudes towards lifetime physical activity, fitness, and sports skills. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in school.

In order to find out more you can visit:
https://www.gov.uk/government/policies/getting-more-people-playing-sport/supporting-pages/school-pe-and-sport-funding

How will we invest this at Lyngford Park Primary School?

At our school we have developed a provision plan to ensure this funding is invested (rather than 'spent') to maximise the long-term impact of our PE provision for pupils and staff.
The funding is invested in various ways and the impact of these initiatives is closely monitored through assessment of children's skills, staff and pupil feedback, uptake of clubs etc.

Continued professional development

As a school we will continue the professional development (CPD) of teachers as a key priority to make sure that the future quality of the teaching of PE, sport and physical activity is sustainable. This includes providing staff with:

- professional development
- mentoring
- appropriate training
- access to external resources

Spending

Primary PE Sport Grant awarded	
Total number pupils on roll	225
Lump Sum	£6,240
Amount received per pupil (£10)	£2,250
Total amount received	**£8,490**
Total spend planned	**£10,086**
Amount left unallocated	-£1,596

Summary 2023- 2024

Objectives of spending:

- To continue to improve the provision of PE and sport at Lyngford Park Primary through staff development.
- To broaden the sporting opportunities and experiences available to pupils.
- To increase fitness and make sport and physical activity a way of life.
- To increase opportunities for pupils to be involved in competitive sport.
- To provide equipment to widen children's experiences of different sporting activities.

Record of spending by item/project 2024-25

Item/Project	Cost	Objectives	Intended Impact
Specialist teacher to teach lessons and work with staff to provide professional development.	**£1,000**	To ensure the effective delivery of PE and sport across the school. To upskill teachers to teach all strands of the PE curriculum. Deliver health education lessons	Improved spiral delivery where teachers are aware of previous learning, build on this and prepare children for what comes next. Teachers are proficient in delivering and children are progressing in all strands of the PE curriculum –New ECT to observe during ECT time. Improvement in attitude to learning and attendance to increase to 95% across the school.
Inspired Schools After school sports providers (including health mentors)	**£1,000** e.g. dance, squash, tennis, multi-sports, football, invasion sports, athletics gymnastics rhythmic gymnastics	To continue to introduce a wide variety of sports and encourage more children to take up the provision on offer. To encourage more children to take part in physical activity after school. To ensure children who are not able to access sports clubs out of school are able to access provision in school.	Encourage the least active children to take up and enjoy sport which can become a part of their lifestyle. More pupils (particularly Pupil Premium) who do not have access to sporting activities out of school access the provision provided. A wide variety of provision will at some point in the year meet the interest of the vast majority of children.

Spending

SASP (County Sports Partnership) Buy-in	**£1,600**	Allows children the opportunity to compete against other schools at a central venue and also offers the opportunities for B and C teams to be developed throughout a range of sports.	SASP buy-in to take part in competitions and sports festivals. Children were able to participate in competitive and CAN-do competitions to make sure all children had the opportunity to take part in festivals and school to school fixtures.
Transport for festivals and fixtures	**£500**	All children get the opportunity to attend 2 festivals per year ran in conjunction with the school sports coordinator who is linked from the local catchment secondary school.	Children were able to attend festivals during the school year x2 per year group and 1x foundation stage. See section 2 above
Sports Coach To deliver and attend competitive sport between schools	**£1,900**	This allows all the children to compete against different pupils in different schools through a range of sports and skills. Sports coach employed to take children to organise and attend Sports fixtures 2x per week so more children can take part in competitive sport and we can provide more opportunities to have B and C teams attending competitive sports.	Enabled children to attend intra-school competitions in Dodgeball/football/netball/hand ball/ This is also allowed us to take B and C teams to CAN do events so children who don't always choose to represent the school could be active and take part in a competitive environment with other schools of similar abilities. The fitness of children will have improved allowing them to compete and deliver their best performances. The vast majority of children will participate and enjoy a range of sporting activities daily. There will be an increase in the number of children involved in competitive sport both formally out of school and informally will inter-class competitions and lunchtime competitions in school. The vast majority of children will embed personal attributes of teamwork, fair play, respect, following rules which are essential across school life and as responsible citizens later.

Spending

Employ 1 health mentor to lead physical activities during **breakfast club** and break times.	**£1,036** 1 health mentor	Increase participation in group sports and games on a daily basis. Introduce children to a wide range of physical activities. Promote positive play through fun and competitive activities, Raise heartbeats and increasing fitness.	A greater number of children will participate in physical activity throughout the day e.g. breakfast club, break times and after school. Fitness will increase and physical activity will become part of everyday life.
Purchase equipment in order to carry out the lunchtime activities and PE lessons.	**£500** to support play leader/health mentor games activities at break lunchtimes PE lessons.	Increase enjoyment, amount of physical activity and participation in sporting activities at break and lunchtimes.	Participation will rise and enjoyment increase across sporting activities leading to a healthier lifestyle which will impact on attitudes towards physical activity so it becomes a part of life in the future. Children will participate confidently building physicality and being able to expend energy.
Playground lines – inspired playgrounds	**£1,500**	To improve activity during playtimes by having improved lines on playgrounds that can promote physical/active play.
